To Whom It May Concern:

It is my pleasure to write this letter of recommendation for Grant Johnson.

I worked as an Adviser with Grant as a student (and a member of Eagle Nation News) for several years when he was at Prosper High School (he transferred to Prosper ISD's brand new Rock Hill High School this year). During his time at ENN, Grant helped our news organization earn dozens of state and national awards and recognitions. Grant is currently News Director at RHHS' Hill Top News: a student-run daily broadcast news television program that reaches thousands of students, hundreds of administrators, and a community of 20,000+ people.

When it comes to leadership, the first thing that comes to mind with Grant is that he leads by example. His pursuit of excellence is unending. Grant does not settle for mediocrity. If something isn't done correctly, he never gives up improving on it until it is. Even better, Grant helps his team to achieve greatness: he takes time to stop, assist and encourage others. Grant's passion for the broadcast news industry is palpable: you can't help but get caught up in his excitement! Even when he or his team don't come in first, he still smiles...dusts off his boots...grits his teeth...and works even harder.

I strongly and confidently recommend Grant Johnson. I can't wait to see him reporting at an actual commercial broadcast news station someday!

Please don't hesitate to contact me if you have any questions.

Sincerely,

Michael Hatch
